**SUBMISSION PACKAGE**

Thank you for your interest regarding the Saskatchewan Arts Board’s Permanent Collection and the donation process. Through purchases and gifts, the Permanent Collection is able to fulfill its goal of celebrating contemporary Saskatchewan arts practices. The Permanent Collection consists of over 3,000 works including ceramics, drawings, mixed media, paintings, prints, photographs, sculpture, and textiles by more than 600 artists. Artwork from the Permanent Collection is frequently included in exhibitions throughout the province and country, is loaned to organizations, and is also rented to workplaces through the Saskatchewan Arts Board’s corporate Art Rental program.

The Saskatchewan Arts Board welcomes donations of works of art and archives that will enrich the collection. When you donate a work of art or an archive, it will be appraised, and you will receive a tax receipt for the fair market value of the work. If the donation is valued in excess of \$5,000 (CAD) and is at least three years old, it may be eligible for certification by the Cultural Property Export Review Board, making your donation exempt from capital gains tax. Should you wish to have the Saskatchewan Arts Board seek Canadian Cultural Property designation, please contact the Registrar prior to submitting this application package.

### PERMANENT COLLECTION INFORMATION

## INTRODUCTION

The Saskatchewan Arts Board acquires objects and archives by Saskatchewan artists through purchases, donations, gifts or bequests and, on occasion, commissions to develop a provincial collection of the highest quality which will inform, enlighten and enhance the lives of present and future generations.

Anyone is able to suggest work to become part of the Permanent Collection either through purchase or donation/bequest. In order to maintain a fair and transparent acquisition practice, the Curatorial Working Group, based on staff recommendations, will, from time to time, develop a process for submissions. Anyone, including members of the Curatorial Working Group or the Saskatchewan Arts Board staff, can recommend that an artist, gallery, or individual make a submission for consideration, but these objects are still subject to consideration under the criteria detailed below. In addition, the Curatorial Working Group can authorize Collection staff members to access specific items available through unusual or time-sensitive opportunities, such as purchasing work from the estate of a recently deceased artist or from the sale of a complete, existing collection.

All acquisitions, whether by purchase, donation, gift, bequest, or commission, must be carefully considered in light of the Permanent Collection: Collections Management Guidelines and according to the following criteria: relevance, quality, condition, costs and provenance/source.

## ARTIST ELIGIBILITY

1. Submissions are accepted from individual artists or from anyone legally entitled to donate a work of art.
2. In order to be eligible for consideration, individual artists' residency must correspond to one of the following categories of residency:

### **Saskatchewan Artists**

- An artist who has a Saskatchewan address as their primary place of living.

### **Expatriate Artists**

- An artist who was previously a Saskatchewan resident but no longer has a Saskatchewan address.

### **Non-Saskatchewan Artists**

- An artist who does not and has never lived in Saskatchewan, but whose work has a resonance of Saskatchewan.
- An artist who resided in Saskatchewan without qualifying as a Saskatchewan artist (above) but who has compiled a body of work during his/her stay in Saskatchewan.

## ELIGIBLE ARTWORKS

The Curatorial Working Group will consider all forms of visual arts and crafts. In addition to works of art, submissions of archives or other records related to visual art and craft will also be considered.

## ADJUDICATION

All work proposed donations are carefully considered by the Curatorial Working Group, which is comprised of members of the Arts Board staff and Board of Directors, complemented by outside public professionals (artists and curators). All acquisitions are carefully considered according to the following criteria:

1. Relevance
  - Is the acquisition of the art work consistent with the goals of the Permanent Collection as outlined in the Collections Management Guidelines?
  - Does the object or archive complement and strengthen the works already in the Collection?

*(Adjudication continued...)*

- Will the significance of the acquisition be enhanced by its association with related works already in the Collection?
  - Will the work be used and borrowed by other institutions?
2. Quality
    - Is the acquisition a good example of the artist's work?
    - Does it augment the Permanent Collection qualitatively, or does it simply increase the size of the Collection?
    - Is the work authentic?
  3. Condition
    - Is the work in good condition?
    - Has it been restored in the past? What, if any, remedial action might be necessary?
    - Is the work likely to be a conservation problem for the Saskatchewan Arts Board in the future?
    - Can the Saskatchewan Arts Board adequately care for and house the object or archive?
  4. Costs
    - Is the donation eligible for certification by the Canadian Cultural Export Review Board?
    - Will there be extraordinary costs related to the transportation, framing, care or maintenance associated with the acquisition?
  5. Provenance/Source
    - Can the donor produce a clear, credible and detailed provenance?
    - Are there any restrictions attached to the use of the work?
    - Does the donor have clear title enabling the gift of the work to the Saskatchewan Arts Board?

A work cannot be accepted if there are any questions as to legal title or authenticity, or if it is of such a nature that it cannot be properly cared for by the Saskatchewan Arts Board.

No work is to be acquired only as an investment; that is, with the intent to dispose of it for profit at a later date.

No donation will be accepted if it is on the condition that a specific appraised value is obtained or that a specific tax credit is received.

The final acceptance or rejection of a work of art rests with the Saskatchewan Arts Board in compliance with its Collections Management Guidelines.

## NOTIFICATION

The Arts Board tries to respond to all submissions, in writing, within sixty (60) days after the submission deadline.

## CONFIDENTIALITY OF INFORMATION

The personal and confidential information that is provided in a submission is collected, used and disclosed in accordance with the provisions of the *Freedom of Information and Protection of Privacy Act* and the *Personal Information Protection and Electronic Documents Act*.
